2. It will be seen therefrom that the regular touring has been started since January 1948 and it is expected that the touring expenses of the Sub-Divisional Officer will not be less than Rs.112-8-0 a month, which is the present limit of P.T.A. to the regularly constituted Sub-Divisions.

From the statement furnished by the S.E.S.C., it appears that figures of T.A. drawn for the past months have fluctuated widely for one reason or another. The figures given do not therefore give a clear idea of what the average amount of T.A. would be. It is stated that the regular touring of the officer has started from 1-1-48. It is necessary to examine the question of fixing a P.T.A. on the basis of the normal touring that the officer has to perform all the year round (both in the touring and non touring seasons). The P.W.D. may be advised that the S.D.O. may be allowed to claim ordinary t.a. subject to a limit of Rs.112/8/-P.M. for a further period of 6 months.
